Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services for the manufacture of the Advanced Digital Dispensing System I and VII for the Ministry of Defense of Israel for use on the F-15 Aircraft.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Richard R. Verma
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 039-09

The Honorable
Nancy Pelosi,
Speaker of the House of Representatives.

DEPARTMENT OF STATE
TRANSMITTAL NO. DDTC 039-09
CERTIFICATION OF PROPOSED ISSUANCE OF AN EXPORT
LICENSE PURSUANT TO SECTION 36(d)
OF THE ARMS EXPORT CONTROL ACT

(1) Foreign Country or International Organization to Which Export Will Be Made:
Israel

(2) Dollar Value of the Proposed Export:

(a) Current Notification Value: \$26,000,000

(b) Total Value: Initial Notification

(3) Description of the Transaction:

(a) Current license application: BAE Systems Incorporated proposes to amend an ongoing Manufacturing License Agreement with BAE Systems Rokar International Limited – Israel to transfer technical data and defense services for the manufacture of the Advanced Digital Dispensing System I and VII for the Ministry of Defense of Israel for use on the F-15 Aircraft. These defense articles were originally exported to Israel under AG 831-88 issued on November 10, 1988 with an approved value of \$21,000,000. However, after an extensive review of files related to this agreement, it could not be determined if this original export was ever notified pursuant to Section 36(d). This amendment extends the duration of the agreement for an additional 10 years and increases the overall value of hardware to be manufactured abroad.

(b) Total Scope: Initial Notification

(4) Offset Arrangement: None.

(5) Authorized Sales Territory: Israel

(6) Date Certification Delivered to Congress:

NOTE: This report, although unclassified, is derived from information submitted to the Department of State by the applicant which is subject to the confidentiality requirements of section 38(e) of the Arms Export Control Act. Disclosure of an applicant's prices and customers could result in competitive injury.

Dear Madam Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services for the manufacture of the Advanced Digital Dispensing System I and VII for the Ministry of Defense of Israel for use on the F-15 Aircraft.
